Work Experience

2022 – Present

Media Services Assistant. Tasks performed include checking in and out equipment such as cameras, projectors, tablets, etc. for students, faculty and staff and maintaining the quality of said equipment. Managing small and large format printers and making art prints of varying sizes using the program Colorburst. Ongoing use of Adobe Photoshop and Adobe Illustrator.

2023 – Present

Internship: Dan Bube Archival Project. Working under Sarah Keefe of Art Academy of Cincinnati, Tony Collins of Aileron and Aaron Cowan of University of Cincinnati, tasks performed include carefully sorting through artist Dan Bube's artwork, capturing high resolution images of the work and properly storing and archiving after scanning

2021 – 2023

Video Arts Assistant. Tasks performed include archiving the Art Academy of Cincinnati's collection of digital artworks onto server. Converting DVDs, CDs, and VHS tapes to digital files. Creating a digital library for students, faculty and staff to access digital artworks. Assisted in creating Art Academy of Cincinnati's *Vision Fields Film Festival*.

2023 (6 months)

Internship: Assistant Exhibitions Coordinator (Art Academy of Cincinnati). Working under Matt Coors, tasks performed included general gallery upkeep such as spackling, sanding and painting. Packing, transporting and hanging artwork for Stewart Goldman's *Cross Currents* exhibition at the Art Academy of Cincinnati. Assisted students in the hanging of weekly senior shows at AAC as well as preparing for the receptions of said shows. Organizing, labeling, handling and properly storing artwork within the AAC's archives.

Summary

Proactive fine artist, designer and video jockey that received their BFA from the Art Academy of Cincinnati. Successfully organized, managed, and curated multiple art shows. Remains devoted to the process of creating and exhibiting their own artwork. Known for being extremely detail oriented, highly organized, and a creative problem solver with an open mind who can juggle multiple projects and produce results.
